Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art taken alone and in combination does not disclose "a brake noise detection device comprising a noise frequency identification portion that identifies a frequency component that corresponds to brake noise based on the output signal of the vehicle wheel speed sensor and a noise detecting portion that determines that brake noise is being generated when the frequency component identified by the noise frequency identification portion is equal to or more than a predetermined value" as recited in claim 1. These limitations are neither taught nor made obvious by the prior art of record
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacques M Saint-Surin whose telephone number is (571) 272-2206. The examiner can normally be reached on Increased Flex.
